

Admin Login

Saturday, May 16, 2020 9:29 PM

Login (Admin)

Hand-drawn sketch of an Admin Login form. At the top, the word "Login" is written in a large, cursive font and enclosed in square brackets. Below this is a login box with a tabbed interface. The "ADMIN" tab is selected, and the "USER" tab is also visible. Inside the box, there are two input fields: "Admin ID : " followed by a text box, and "Password: " followed by a text box. Below the password field is a link that says "forgot password?". At the bottom of the box is a "LOG IN" button with a green dot to its right.
